### Tuition and Boarding Fees

Tuition and boarding fees are charged in advance in three equal instalments, at the beginning of Terms 1, 2 and 3.

Two further statements will be sent during the year:

- At the beginning of Term 4 for incidental expenses incurred during Term 3; and
- At the end of Term 4 for incidental expenses incurred during Term 4 and as a final account for the year.

Overseas students pay a higher fee as the School receives no Government per capita grants for overseas students.

### Enrolment Fees

– **Kindergarten to Year 12**

A non-refundable enrolment fee of \$7,275 is payable when a place at the School is formally offered and accepted.

– **Pre-School**

A deposit of \$3,000 is payable when a place at St Michael's or St Mark's Pre-School is formally offered and accepted. The deposit is refundable when the child leaves the Pre-School.

### Extra Charges

Additional fees are payable for optional subject tuition such as instrument lessons, and for activities such as excursions.

### Payment of Fees

- Fees are payable by cheque, credit card, direct debit or BPAY.
- Fees paid in advance for a full year's tuition prior to the due date of the first instalment will receive a discount of 1.5%.
- Fees not paid by the due date, and where no other agreement has been documented with the School, will incur an administrative charge of \$250 per account; and
- Fees not paid in accordance with the School's terms and conditions may result in exclusion of a student from classes.  
Refer to the Conditions of Entry.

Families who would like to manage their cash flow by spreading their fees over a period of time greater than that which the School can offer, may wish to consider the option of applying to School Fee Finance to fund their fees. School Fee Finance provides a choice of payment terms and flexibility which could assist some families. This communication is not advice, nor is it a recommendation, but a referral option only.
