

Application for Admission – Overseas Students

**CRANBROOK
SCHOOL**

Application Process

1. Application

On completion of this *Application for Admission Form – Overseas Students*, return it and other required documentation to:

Cranbrook School
Director of Admissions
5 Victoria Road
Bellevue Hill NSW 2023

or you can scan and email it to enrol@cranbrook.nsw.edu.au.

All applications must include the non-refundable application fee of \$300. Please see Part F Payment Form for information as to how to make this payment.

You will receive a letter confirming receipt of your application.

2. Assessment and Interview

Assessments and interviews may be held up to 12 months before the date of entry for Kindergarten and up to two years and six months before the date of entry for Year 3 and Year 7.

Some applicants may miss out on assessments and interviews due to demand for places exceeding places available.

The assessment involves your child participating in activities under the observation of staff. Interviews are held subsequent to the assessment and your child and both parents should attend.

Your child may also be required to sit for Australian Education Services Testing either in their own country or in Australia.

3. Review of Application

Your application will then be reviewed and an enrolment decision made. You will be notified in writing if an offer of enrolment is to be made or if your application was unsuccessful.

4. Acceptance

If you receive an offer of enrolment, you must complete and return the required documentation and pay the enrolment fee and Overseas Student Health Cover premiums within the timeframe specified in the letter of offer to confirm your child's place at Cranbrook School.

Please keep a copy of your completed Application for Admission.

After receiving payment and required documentation, the School will issue you with a Confirmation of Enrolment which you will need to apply for a student visa.

Message from the Headmaster

Our vision is to be a world class school which encourages and enables all of our students to explore, enjoy and fulfil their potential. We do not produce a stereotype but are proud of difference and recognise talent and achievement wherever it is expressed. We encourage our students to be creative, diligent, self-disciplined and actively involved in all that they undertake.

Cranbrook is a remarkable and distinctive school and our educational philosophy is, we believe, of ever higher importance and relevance. We are preparing our students to fulfil their talents, and exercise influence, in a rapidly evolving and challenging world. Cranbrook builds resilience and confidence so that each student can face the challenges of the twenty-first century with personal confidence, intellectual versatility and curiosity, academic hunger and optimism.

Set high expectations for young people and, more often than not, they will rise to them. We can all strive for excellence and aim high: through doing so, we broaden our range of experience, we acquire strength of character and self-knowledge, and we build a destiny.

Everyone can, and should, pursue excellence: our task is to encourage them to love doing so.

The School aims, through its Admission Policy and procedures, to create a student body which reflects the local community in terms of talents, diversity and difference.

I look forward to meeting you and welcoming you to our great school.

This form is for children who require a student visa to attend school in Australia.

Please complete electronically or print clearly. Ensure all fields are completed. If this form is returned incomplete or without parent signatures, this application will be deemed incomplete and will proceed no further.

A separate form must be completed for each child.

Completion of this form and payment of the non-refundable application fee does not guarantee an offer of a place.

Additional information about the School, including the Admission Policy, Enrolment Terms and Conditions – Overseas Students and Information for Overseas Students booklet, can be found at www.cranbrook.nsw.edu.au
