

GUARDIANSHIP FORM

Cranbrook School requires that all overseas students enrolled at the School and all students whose parents do not live in Australia have a suitable guardian appointed for the duration of their enrolment at the School. The guardian acts on behalf of the student's parents* and assists the School with all aspects of the student's welfare in the absence of the parents.

The guardian must be appointed in writing by the parents using this Form and the guardian must sign the Acceptance of Guardianship section of this Form accepting this responsibility.

Eligibility

A guardian must:

- be at least 25 years of age;
- be resident in Sydney within a reasonable distance of the School;
- speak and understand English at a proficient level;
- be a relative** or long standing family friend well known to the student, and of good character;
- be an Australian Citizen, Australian Permanent Resident, or hold a current Student Guardian Visa or other temporary visa which provides permission to reside in Australia for the duration of the student's enrolment at the School;
- hold a valid Working With Children Check Clearance (for either paid employment or volunteer work); and
- complete and sign the Acceptance of Guardianship section of this Form.

Responsibilities of a Guardian

A guardian must be readily available and able to take responsibility for the student's welfare in the absence of the parents and act on their behalf.

Responsibilities include:

- maintaining regular contact with the student, his parents and the School.
- being aware of the School rules and expectations for students, including the Boarding House rules.
- attending an interview with the Director of Admissions and the Housemaster prior to the student commencing at the School.
- supporting the student on arrival from overseas, including supervision and accommodation prior to the Boarding House being open, assisting the

student to move into the Boarding House and assisting the student to purchase books, clothing and personal effects needed.

- liaising with the Housemaster in relation to any leave and permissions for outings and medical assistance.
- assisting the parents to confirm the suitability of the student's leave arrangements including any activities the student may undertake and hosts with whom they may be staying.
- providing support to the student including in regard to health matters, medical emergencies and travel arrangements.
- notifying the Housemaster (Senior School) or Class Teacher (Junior School) of any problems or concerns in relation to the student.
- attending School functions such as parent-teacher interviews, prize giving days and other functions and events in the absence of the parents.
- informing the student, the parents and the Housemaster or Class Teacher if you are going to be temporarily away and unavailable for up to four weeks, and appointing a temporary guardian (approved by the parents in writing) to assume your role during this period.
- immediately updating the School with any change of contact details in writing.
- informing the parents and the School should you be no longer able to act as guardian, or if you are going to be unavailable or absent from Sydney for more than four weeks so that the parents can appoint another guardian.

The School welcomes guardians joining the Cranbrook School community. Your role as a guardian is an important one and is highly valued by Cranbrook School.

* Parent includes any person legally authorised to exercise parental responsibility for the student and where the student has only one parent, means that parent.

**Relative is defined as a parent, brother, sister, step-parent, step-brother, step-sister, grandparent, aunt, uncle, step-grandparent, step-aunt or step-uncle.
