Message from the Headmaster

Our vision is to be a world class school which encourages and enables all of our students to explore, enjoy and fulfil their potential. We do not produce a stereotype but are proud of difference and recognise talent and achievement wherever it is expressed. We encourage our students to be creative, diligent, self-disciplined and actively involved in all that they undertake.

Cranbrook is a remarkable and distinctive school and our educational philosophy is, we believe, of ever higher importance and relevance. We are preparing our students to fulfil their talents, and exercise influence, in a rapidly evolving and challenging world. Cranbrook builds resilience and confidence so that each student can face the challenges of the twenty-first century with personal confidence, intellectual versatility and curiosity, academic hunger and optimism.

Set high expectations for young people and, more often than not, they will rise to them. We can all strive for excellence and aim high: through doing so, we broaden our range of experience, we acquire strength of character and self-knowledge, and we build a destiny.

Everyone can, and should, pursue excellence: our task is to encourage them to love doing so.

The School aims, through its Admission Policy and procedures, to create a student body which reflects the greater community in terms of talents, diversity and difference.

I look forward to meeting you and welcoming you to our great school.
