Cranbrook Junior School Swimming Carnival 2024

**Friday 29th of November
Cranbrook Senior School
Murray Rose Aquatic and Fitness Centre**

Welcome

It is my pleasure to welcome our Y3-Y6 Junior School families and students, as well as our staff, to this year's Junior School Swimming Carnival.

As we did for the first time last year, we are able to utilise the beautiful Murray Rose Pool for this annual event. It is an exciting experience for our boys to race in this most special of venues.

The Swimming Carnival is the culminating event for our students' Term 4 swimming unit and an opportunity for them to showcase the progress and skills they have been honing over the last 7 or so weeks.

Competing in events like carnivals provide our students with opportunities to build resilience, take risks and appreciate the benefit of diligent training on performance. We congratulate them on their sportsmanship and genuine efforts today, no matter where they are placed. We look forward to seeing plenty of positive House spirit and support from their peers for every student that races at the Carnival.

We thank all the Junior School staff who will be ensuring the Carnival runs smoothly, for their flexibility, good humour and enthusiasm.

Enormous thanks must go to the Junior School PDHPE staff and the AFC team who have prepared the students for today's races, as well as organised the programme and logistics for the Carnival.

JS PDHPE Team: James Roughan, Josh Cohen, Tommy Taylor
AFC: Daniel Arnarnart and his wonderful team of coaches & staff

We hope you enjoy today's Carnival.

Michele Marquet
Acting Head of School
