

**CRANBROOK  
SCHOOL**

## **Junior School Music - Soirée form**

Thursday, 21<sup>st</sup> August 2025 – 6:00 to 7:00pm

Venue: Music Room 1

Soirées in the Junior School occur each term to provide further instrumental and vocal performance opportunities for our students.

It is another exciting platform for our young musicians to aim for excellence, performing for family and friends. It is always wonderful to hear their great work and witness our students' performance progress in an encouraging environment.

Students requiring **accompaniment** must attach the piano part to their application form and a rehearsal time will be arranged.

**Please note that all performers need to arrive by 5.45pm to tune and set up.**

Kindly fill out the form and return to the Music Office.

Many thanks for your support.
