

Dear K-Y6 Parents and Carers,

Cranbrook Explorers and Travellers Overseas Partnership (CETOP) is a not-for-profit organisation run by Staff and Parents associated with Cranbrook, which supports communities in Ladakh (India) and Nepal. In Nepal, we work with local communities in the areas of dental health, education and infrastructure. Since 2011, we have conducted ten Junior School trips to Nepal with Y6 students and an accompanying parent.

In week 3 of this term, we are hosting a CETOP Week, which is dedicated to educating our community about CETOP: who we are, what we do, why we have chosen specific projects, and most importantly, how students can get involved and contribute through service.

During this year's CETOP Week, each year level has pledged something they will **do without** on Monday, 4 August. Students are encouraged to help around the house (photos encouraged) and donate their earnings to their class pledge. A Padlet has been set up for students to share photos of them completing their act of service, which we will share at the CETOP assembly.

Please note that the money raised is separate to paying for the sausage sizzle.
